The total time expended for the preparation of this first, multi-month application is approximately 130 hours, and the corresponding estimated compensation *that will be requested in a future application* is approximately \$39,000. Future applications are expected to take no more than 35 hours, or \$10,000, to prepare.

This is Forman Perry Watkins Krutz & Tardy LLP's ("FPWKT") monthly application for interim compensation of services in excess of the OCP cap for the fee periods April 1, 2006 through March 31, 2007. FPWKT has never before filed a fee application in this matter. Pursuant to the *Order Granting Leave in Accordance with the Orders Authorizing the Debtors to Employ and Compensate Ordinary Course Professionals As It Pertains to Forman Perry Watkins Krutz & Tardy LLP* dated April 2, 2007, FPWKT is permitted to file its fee application for excess OCP fees and expenses for "all previous months and any future month" in which it incurs excess OCP fees and expenses. Although this first fee application covers all excess fees and expenses incurred over a period of several months prior to the Court's April 2, 2007 Order, all future applications, if necessary, will be submitted on a monthly basis as required by the interim compensation order.

For April 2006 through March 2007, FPWKT incurred excess OCP fees and unreimbursed expenses as summarized in the two charts below:

| Month | Excess Fees | Expenses | Total |
|----------------|--------------|-------------|--------------|
| April 2006 | \$58,159.00 | \$0.00 | \$58,159.00 |

² FPWKT received partial compensation and reimbursement of expenses for the April 2006 through October 2006 fee periods. The amounts indicated on this chart for those months (and the corresponding compensation and reimbursement requested in this fee application) represent only the remaining unpaid excess fees and expenses for that time period.

³ FPWKT has not yet received any compensation or reimbursement of expenses for the November 2006 through March 2007 fee periods. FPWKT has submitted invoices covering these months to Debtors for payment. Therefore, the amount of compensation and reimbursement of expenses requested in this fee application for each of these months has been reduced by \$50,000 per month in anticipation of the payment of that amount by Debtors through the normal OCP process.
